

Sizzling Summer Fun at Fannie Battle

Our Camp & Summer Enrichment Program is so hot, families ask to sign-up for the next year before the summer is over! Here's why:

- ◆ Affordable sliding scale fee for summer childcare and camp (Monday-Friday 6:30 to 5:30).
- ◆ A full, well-rounded schedule of academic and enrichment activities
- ◆ A 1:8 student teacher ratio with certified teachers providing small group academic tutoring, art instruction, and physical education.
- ◆ Acclaimed programs and enriching experiences with Mad Science, Kidskills (dance, gymnastics, and tumbling), Music Star Song Writing Camp, Computer Camp, Dana's Dynamic Dancers (Cheerleading & Hip Hop Dance), the Centennial Sportsplex for swimming lessons, and so much more!
- ◆ A summer reading program (1250 books read during the summer of 2007).
- ◆ Enrichment outings to enjoy and explore TN: the Frist Center, Adventure Science Center, Nashville Zoo, Bowling, Roller Skating, Ice Skating, Nashville Shores, Nashville Sounds, Purity Dairy, Ellington Agricultural Museum, Chattanooga Aquarium and so much more!
- ◆ To top it all off, the children end the summer by spending a week at either Oak Hill Day Camp or Whippoorwill Farm Day Camp which the children talk about the entire year!

Please consider giving \$50 or more to sponsor a child this summer!
